RE: Public Records Request for copy of any available documents that detail the methodology used to allocate MassDOT administrative costs to the Western Turnpike and to the tolled roads of the Metropolitan Highway System, Case#12-0583

Dear Sir or Madam:

The Massachusetts Department of Transportation does not have documents that detail the methodology used to allocate MassDOT administrative costs to the Western Turnpike and to the tolled roads of the Metropolitan Highway system. Nor does it have documents that detail the methodology used to allocate highway maintenance employees labor and all benefits to the western Turnpike and to the tolled roads of the MHS.

Thank you for your attention to this matter.

Sincerely,

Maryellen Lyons
Deputy General Counsel
